

SCHOLARSHIP

ABOUT

The BC Educators for Distributed Learning Provincial Specialist Association is pleased to offer one scholarship of \$1000 and two scholarships of \$500 to 2020 graduates. The scholarship will be awarded to a student graduating with a High School Dogwood or Adult Diploma from a Distributed Learning program in British Columbia. This student will be furthering their education after high school by upgrading skills, training for a career or enrolling in an academic program at a post-secondary institution. This opportunity is open to any student that has successfully graduated in 2020 from a British Columbia Distributed Learning program. Proof of graduation will be required before the scholarship is awarded.

APPLICATION

Submit a biography with the following information by May 15th:

- Name/Age
- The Distributed Learning Program you are graduating from
- Why did you do your school in a Distributed Learning environment?
- How will this scholarship benefit you?
- Why do you feel you deserve this scholarship?
- Future studies/career Plans

Applicants must show proof of graduation from a Distributed Learning Program in British Columbia.
